

Systems Engineering Seminar

COME HEAR THE EXPERTS!

The Engineering and Technology Directorate (ETD) at NASA's Goddard Space Flight Center is sponsoring a series of seminar presentations on Systems Engineering concepts, philosophies, principles, and practices.

A Model Based Approach to Mars2020's Flight System Systems Engineering

Presented by: **Elyse Fosse**, Jet Propulsion Laboratory,
California Institute of Technology

Date: Wednesday • **July 14, 2021**

Time: 1:00 p.m.

Meeting number (access code): **199 592 7855**

Meeting password: **SES@NaSA21**

Join by Phone: **415-527-5035** US Toll
